Daily Summary for April 22, 2021

With a vote of 82-9, the House voted in favor of SJR10. This is a proposed constitutional amendment which, if approved by voters, would allow the General Assembly to call a special session upon the submission of a written proclamation with signatures from at least 2/3 of both the House and Senate membership. Currently, only the Governor can call for a special session.

The House also voted in favor of HR1048. This resolution would allow the House to consider a third proposed constitutional amendment, SJR14, the Arkansas Religious Freedom Amendment.

The House also passed the following bills on Thursday:

HB1926-This bill defines virtual currency under Arkansas Code. It also defines rights of ownership and the process for adverse claims against the currency.

HB1944-This bill provides definitions of advanced plastic recycling technologies in an effort to help facilitate the growth and investment of these facilities.

SB181-This bill amends the Sales Tax Holiday to exempt certain electronic devices from sales tax during the first weekend in August.

SB513-This bill amends the law concerning the suspension or revocation of a person's driver's license for failure to pay a fine or failure to appear. This would allow judges to restrict a license rather than suspend to allow the defendant to drive for essential purposes.

The House will convene on Monday at 1 pm.
