

Arkansas House Newsletter

January 25, 2023

Daily Summary for Wednesday, January 25, 2023

On Wednesday, the House passed [HB1125](#) which prohibits level 3 and level 4 sex offenders from owning or operating a drone.

The House also passed [HB1178](#) which reduces the number of hours required for the licensure of a community paramedic.

In addition, the House passed [HB1091](#). This bill states that for purposes of employment in Arkansas earning a high school diploma through the passage of a nationally recognized high school equivalency exam, such as the GED test, shall be treated the same as the receipt of a high school diploma from an accredited Arkansas secondary school.

[The House will reconvene on Thursday at 11 a.m.](#)
