Covid-19 Response Update for May 28, 2020

Of the new cases, all 261 are in the community (not prisons or nursing homes). This is the largest number of community cases reported in 24 hours.

40% of the new cases are in Benton and Washington County.

½ of all cases had no symptoms at the time of testing.

Economic Recovery Task Force to release a preliminary report Friday at www.arkansasready.com.
