## **Covid-19 Response Update for September 9, 2020**

The Department of Health reported 385 positive PCR tests and 114 positive antigen tests on Wednesday. There have been 11 deaths in the last 24 hours. Hospitalizations have increased by 2.

The Governor announced a new partnership with the Department of Health (ADH) and Baptist Health to increase testing. A new machine purchased as a result of the partnership will allow ADH to increase testing by 20%. The machine is expected to arrive on October 1.
