## **Covid-19 Response Update for September 10, 2020**

Positive tests reported on Thursday include 398 PCR and 70 antigen tests. ADH reports 12 additional deaths. Hospitalizations have decreased by 19. Tomorrow will be the last daily COVID-19 update. After tomorrow, the Governor will give updates weekly or as necessary. But as the Governor reminded everyone, this doesn't mean we are not still in an emergency. The Governor also reminded everyone that today is suicide prevention day. If you are in crisis now, please call 1-800-273-TALK (8255).
