MEMBERS

1. Every representative shall be present within the House during the session of the House and every member shall be present at each committee meeting of which he/she is a member, unless excused or necessarily prevented. It is the policy of the Arkansas General Assembly, as a term-limited body, to encourage legislators to learn as much as possible by attending meetings of committees of which they are not a member. Prior signed and documented approval must be obtained from the chairperson of a committee for a visiting non-committee member to enjoy certain privileges offered to regular members.

2. For the purpose of seating in the House Chamber for an upcoming regular session of the General Assembly, the Speaker of the House shall, on the first Friday following the November General Election, declare all House Chamber seats vacant and representatives and representatives-elect must select in the order of their seniority any seat not occupied after notification by the Chief Clerk of available seats. Absence or failure to select a seat at the assigned selection time will automatically allow the Speaker to assign the member to his or her same seat if it is available or the member or member-elect to a seat selected by the Speaker. Immediately following the selection of a seat by a member or member-elect or assignment of
a seat by the Speaker, the member or member-
elect’s signature or Speaker’s signature is re-
quired. Following all seat selections or assign-
ments, member or member-elect’s signatures
or the Speaker’s signature shall represent final
movement. The Chief Clerk shall furnish vot-
ing machine and desk keys.

3. When it is necessary for seniority of in-
coming members to be determined by lot, the
Speaker of the House and the Speaker-desig-
nate of the House shall conduct a drawing by
lots upon receiving certification from the Sec-
retary of State of the election of membership to
each General Assembly. Qualified and certi-
fied persons to be seated and officially receive
the oath of office may do so only at a time and
place prescribed by the House. No person hav-
ing resigned from public office as a provision
to a plea agreement to avoid felony prosecution
shall be seated or administered the oath of of-
lice. Incoming members with previous legisla-
tive tenure shall be placed highest in seniority
among the incoming members based upon pre-
vious terms of service. Where an equivalence
of full terms of service exists, seniority for
those with equal terms shall be asserted by
drawing lots to determine their numerical
standing.

4. A majority of all representatives elected
to the House shall be necessary to transact busi-
Rules of the House

1. When less than a quorum of House members shall assemble, those present shall be authorized to send for the absent representatives or adjourn. Penalties may be decided by a majority of the representatives present. (Art. 5, Sec. 11)

5. Each representative is expected to vote on each question put before the House unless he/she has an immediate personal interest.

6. Any representative shall have the right to explain his/her vote on any bill or other question before the House, in writing. Such explanation shall not be entered upon the Journal, but shall be filed with the Chief Clerk.

7. Every bill or resolution in the possession of the House or of any committee thereof shall be made available to any member for his/her examination.

8. No member at any time shall take from the House or any committee any bill or other paper belonging to the House, without consent of the Speaker, subject to the will of the House.

9. It shall be the duty of each representative to know, practice and preserve Parliamentary Law.

THE SPEAKER

10. Selection.

10.(a) As used in this rule, the term “Speaker-designate” shall mean the member of the House of Representatives selected by the
House of Representatives of each General Assembly held preceding the convening of the next-following regular session of the General Assembly, in the following manner:

10. (a)(1) A caucus of the entire House of Representatives shall be held fifteen (15) minutes following sine die adjournment of the fiscal session held in each even-numbered year, at which time the members of the House shall select by secret ballot a member of the House to be known as the Speaker-designate. Each candidate for Speaker-designate shall be allowed fifteen (15) minutes to address the House before the ballot is taken. All members are required to be present for the addresses and for the election. In the event a member is unable to attend, absentee ballots may be requested by a member for himself/herself from the Speaker’s Office no sooner than twenty (20) calendar days prior to the scheduled election and must be completed and returned to the Speaker’s Office no later than four p.m. (4:00 p.m.) the day before the scheduled election. It is the intent of the Speaker’s office to accommodate any and all members for Speaker-designate voting, should a member have a documented emergency arise, the Speaker may direct staff to allow for absentee voting up to two (2) hours prior to the scheduled election. Leave for absence shall be requested immediately before the time of the election. The Speaker shall
announce the name and number of votes received by the candidate who received at least a majority of the votes of the membership of the House. Each candidate shall be entitled to verify the number of votes he or she received.

10.(a)(2) The candidate receiving a majority vote of the membership of the House of Representatives shall be declared the winner of such election for Speaker-designate of the House of Representatives of the next-following General Assembly.

10.(a)(3) If no candidate receives a majority vote of the membership of the House of Representatives, the names of the two (2) candidates receiving the highest number of votes cast shall be placed on a run-off ballot and distributed among the membership of the House of Representatives in the same manner provided above.

10.(a)(4) If it is determined that the Speaker-designate will not serve as a member of the House of Representatives of the next-following General Assembly due to death, resignation, or failure to be a candidate for or to win reelection, a vacancy in the position of Speaker-designate shall exist and be filled at the caucus of the entire House of Representatives-elect held on the Friday of the week designated for the biennial Institute of Legislative Procedure (House Legislative Orientation), and the Speaker of the House of Representatives
shall be elected upon convening of the next regular session.

10.(a)(5) It is the intent of this subsection that the Speaker-designate be the Speaker of the House of Representatives of the next-following General Assembly, subject to selection by the membership of the House upon convening of the regular session.

10.(a)(6) Petitions seeking pledge signatures of members of the House of Representatives for a particular candidate seeking selection as Speaker-designate shall not be circulated among the members of the House of Representatives.

PARLIAMENTARY PRACTICE

19. When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the Chairperson is not compelled to accept any motion):
19. (a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);
19.(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting;)
19.(b) To adjourn (non-debatable) (majority of a quorum);
19.(c) To take a recess (non-debatable) (majority of a quorum);
19.(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum) To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);
19.(e) Immediate consideration (non-debatable) (2/3 of a quorum);
19.(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);
19.(g) Limit or extend debate (non-debatable) (2/3 of a quorum);
19.(h) To expunge (debatable) (2/3 of membership) (67);
19.(i) Postpone to a day certain (debatable) (majority of a quorum);
19.(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);
19.(k) Refer (debatable) (majority of a quorum);
19.(l) Amend (debatable) (majority of a quorum);
19.(m) Postpone indefinitely (debatable)
(majority of membership);

19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);

19.(o) Special order of business (debatable) (2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

20. A motion to adjourn shall always be in order, when the Floor can be obtained for that purpose, except when the previous question has been ordered.

21. The motion to recess, when the Floor can be obtained for that purpose, must specify the time which shall elapse and the time for reconvening. It may be amended to alter specific time.

22. Previous question:

22.(a) When any debatable question is before the House, any member may move the previous question. It shall be seconded by five (5) members whether the question shall be stated. When the previous question shall have been adopted, the proponents shall be allowed fifteen (15) minutes in which to debate it, and the opponents of the main question shall be allowed fifteen (15) minutes, after which time a vote upon the main question shall be taken.

22.(b) Pending a vote on the main question, one (1) motion to refer is permitted. A motion to refer under this rule applies to House resolutions as well as to House bills, to Senate bills
and to Senate amendments to a House bill, and
to a motion to amend the Journal. The motion
to refer under this rule is non-debatable and
may not be laid upon the table.

23. A motion to postpone to a day certain
may not specify the hour; a special order is nec-
essary to specify the hour; the motion may be
amended and it is debatable within narrow lim-
its only, confined to the merit of the motion it-
self.

24. The simple motion to refer is debatable
within its narrow limits, but the merits of the
proposition to which it is proposed to refer may
not be brought into the debate. The motion to
refer with instructions is debatable (majority
vote of a quorum). When a question is raised
about the proper referral of a bill to committee,
if the Speaker admits error in the referral of the
bill to a committee, the bill may be re-referred
by a majority vote of a quorum; however, if the
Speaker does not admit error in the referral of
the bill to committee, the bill may only be re-
referred by a two-thirds (2/3) vote of a quorum.
When a bill is re-referred to a committee, any
previous committee recommendation is auto-
atically stripped from the bill.

24.(a) When a motion is under considera-
tion, only two (2) substitutes to that motion
shall be in order. Only a motion applicable to
the main motion and of a higher precedence
upon recognition may be substituted for the
motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

25. The motion to postpone indefinitely opens to debate all the merits of the proposition to which it is applied. It may not be applied to the motion to refer, or to suspend the rules, or to motions relating to the order of business.

25.(a) The motion for indefinite postponement and possible consideration by a joint interim committee shall be as follows: "Mr. Speaker, I move that consideration of ______ be postponed indefinitely and that consideration be given by the joint interim committee on ______ for a study of ______." (majority of membership).

26. The motion to limit or extend debate must specify time limitations. A substitute motion specifying a lesser time may be accepted.

27. Reconsideration:

27.(a) When a proposition has been made and carried or lost, it shall be in order for any member of the majority on the same or succeeding legislative day to move for the reconsideration thereof, or give notice of his/her intentions to do so and such motion shall take precedence over other questions except consideration of a conference report or a motion to adjourn: Provided, the motion or proposition
shall only be considered during the period reserved for regular bills. The notice shall not be withdrawn after the said succeeding legislative day without the consent of the House, and thereafter any member may call it up for consideration: Provided, the notice to reconsider must be disposed of within three (3) legislative days following the day the vote was taken; provided, that such notice to reconsider cannot be given after the 57th day of a regular session or during a special session or fiscal session during which times a motion to reconsider must be disposed of immediately.

27.(b) The provisions of the rule that the motion may be made “by any member of the majority” is construed, in case of a tie, to mean the member of the prevailing side, and the same construction applies in the case of a two-thirds (2/3) vote. Where the yeas and nays have not been ordered recorded in the Journal, any member, irrespective of whether he/she voted with the majority or not, may make the motion to reconsider or give notice thereof; but a member who was absent or who was paired in favor of the majority contention and did not vote may not make a motion.

27.(c) A bill in the possession of the House is not considered passed or an amendment agreed to if a motion to reconsider is pending; the effect of the motion being to suspend the
original proposition. A notice or motion to reconsider shall not be allowed unless the bill is in the House. A bill shall not leave the House once notice of reconsideration is given. When the motion to reconsider is decided in the affirmative, the question immediately recurs on the motion reconsidered. However, prior to consideration of the question at hand, the Speaker shall have the title, expressing the main contents of the proposition being reconsidered, read to the House. When the motion to reconsider is defeated, a second motion to reconsider may not be made.

27.(d) The motion to reconsider is agreed to by a majority of a quorum, even though the vote reconsidered requires a majority or more of the membership. Upon reconsideration when a proposition has been voted twice and either carried or lost it is considered “Clinched”.

27.(e) A notice to reconsider is not debatable. A motion to reconsider is debatable when the item to which it applies is debatable.

27.(f) No bill, petition, memorial, or resolution referred to a committee or reported there-from for recommitment shall be brought back into the House on a motion to reconsider.

27.(g) The “Clincher” motion is two (2) motions in one (1); it is a motion to reconsider and to lay on the table. Having prevailed, the
Rules of the House

proposition shall not be again considered except by expunging the record. The “Clincher” motion is adopted by a majority of the membership. The Speaker shall accept a "Sound the Ballot" request after the "Clincher" has been adopted and before the next order of business is called.

27.(h) No “Clincher” motion shall be entertained on a bill passed during the morning hour or which has been represented to be non-controversial regardless of when passed. Prior to the 60th day of a session, no bill passed during the morning hour, or a bill appearing on the non-controversial bill calendar which has passed, shall be transmitted to the Senate until the expiration of the morning hour of the day next following its passage in which the House is in session.

28. No dilatory motion shall be entertained by the Speaker.

29. Two-thirds (2/3) of a quorum may suspend the rules, other than rules that require a two-thirds (2/3) or three-fourths (3/4) vote of the membership. (J.R. 12 - Suspending Joint Rules)

30. No standing rule or order shall be revised without one (1) day’s notice being given thereof.

31. In every case not provided for in the House rules, the Speaker, the Parliamentarian, and the members shall be guided by Mason’s
Manual of Legislative Procedure. Each member of the Rules Committee may be furnished a copy of the current edition and of each new or revised edition of Mason’s Manual of Legislative Procedure and additional copies may be available to other members from the Parliamentarian, upon approval of the Rules Committee.

18  commends, congratulates, or recognizes an in-
19  dividual, group, or other entity. Notwithstand-
20  ing Rule 27 (h), a concurrent resolution or con-
21  current memorial resolution that is subject to
22  this rule may be transmitted to the Senate on
23  the same day that it is passed. A joint resolu-
24  tion proposing a Constitutional amendment
25  shall be placed on the regular House calendar
26  and is subject to Rule 27 (h).
27  35. Items “(a)” through “(h)” shall take no
28  more than one (1) hour of House time each day
29  unless extended by a majority vote of the
30  House members present.
31  36. Unfinished business items, except

Committee Chairperson’s Manual and House Committee Rules

(Tracking Item 24 on Page C18)
(Index on Page C20)
A committee chairperson is a member appointed by the Speaker of the House to function as the parliamentary head of a standing, select, special or joint committee.

1) The chairperson (or vice chairperson in his or her absence) shall call the committee to order at the appointed time.

2) The presider shall determine a quorum present either by declaration, without objection, or by calling the roll (for quorum purposes only a roll call will be required if there is one objection by a committee member to the declaration of the presence of a quorum).

3) The presider shall maintain order of the committee meeting.

4) The presider shall decide all questions of order subject to appeal to the Speaker of the House who may refer the question to the Rules Committee whose decision may be appealed to the full House.
5) The presider shall supervise and direct the staff of the committee.

6) The presider shall prepare, or supervise the preparation of, and sign all reports of the committee and submit them to the full House.

House Rule 55.(b) and 55.(c)

55.(b) All committees shall consider the bills, resolutions, amendments, petitions, and memorials referred to them and in their possession and make one of the following reports in writing to the House:

55.(b)(1) That a bill, resolution, petition or memorial “do pass”;

55.(b)(2) That a bill, resolution, petition or memorial “do not pass”, in which event the measure shall not be considered unless the vote is expunged;

55.(b)(3) That a bill, resolution, petition or memorial “do pass as amended”.

55.(c) No bill, resolution, petition or memorial shall be acted upon by the House without a “do pass” or a “do pass as amended” recommendation. No bills shall be placed on the non-controversial calendar or deemed to be non-controversial in any way unless a motion is adopted in the committee to which the bill was referred. With a quorum present, the motion is considered adopted if there are no negative votes.
7) A quorum (one more than half the total membership of the committee) must be present to transact official House committee business.

(House Rule 66) No committee shall transact business without a quorum (a majority of the committee membership present). All final action on bills or resolutions, and on proposed amendments to bills or resolutions, shall be decided by a majority vote of the total membership of the committee. Provided, however, that the Speaker of the House shall not be included for the purpose of determining what is a majority of a standing committee, unless present at the time of the vote. A member of the committee must be present at the time of the vote for his/her vote to be counted on any matter considered by the committee (no pairs, no proxies).

8) (House Rule 54. (c)(2)) The rules or proceedings of the House of Representatives shall be observed in all select committees, standing committees, and subcommittees of the House so far as they may be applicable.

The precedence of motions so far as they are applicable shall be as listed in House Rule 19(a) – (q):
(House Rule 19) When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the chairperson is not compelled to accept any motion):

19(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting);

19(b) To adjourn (non-debatable) (majority of a quorum);

19(c) To take a recess (non-debatable) (majority of a quorum);

19(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum) To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

19(e) Immediate consideration (non-debatable) (2/3 of a quorum);

19(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);

19(g) Limit or extend debate (non-debatable) (2/3 of a quorum);

19(h) To expunge (debatable) (2/3 of membership) (67);

19(i) Postpone to a day certain (debatable)
House Committee Rules

(majority of a quorum);

19(j) Committee of the Whole, go into
(non-debatable) (majority of a quorum);

19(k) Refer (debatable) (majority of a
quorum);

19(l) Amend (debatable) (majority of a
quorum);

19.(m) Postpone indefinitely (debatable)
(majority of membership);

19.(n) Take out of proper order (non-debat-
able) (2/3 of a quorum);

19.(o) Special order of business (debatable)
(2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable)
(2/3 of a quorum).

9) (House Rule 60(a)) All committee and sub-
committee meetings including but not limited
to hearings at which public testimony is to be
taken, (normally called “public hearings”) shall
be open to the public (Art. V, Sec. 13) and shall
be scheduled at least eighteen (18) hours in ad-
vance; agendas of bills, resolutions, and other
proposals to be considered at such meetings
shall be posted in a designated place at least
eighteen (18) hours in advance; but in case of
an emergency, a two-thirds (2/3) majority of
the membership of the committee may bring
bills or resolutions up for consideration upon
notice of not less than two (2) hours.
10) (House Rule 60(b)) Special meetings of a standing committee may be called by the chairperson of the committee or by a majority of the members of the committee for conducting any business of the committee; provided, a special meeting of the committee may not conflict with regularly scheduled meetings of any standing committee; provided further, special meetings shall be subject to the same procedures regarding the publishing of agendas and notices of meetings that apply to regular standing committee meetings.

11) (House Rule 61(a)) All persons wishing to offer testimony to a committee hearing shall be given a reasonable opportunity to do so as determined by a majority of the committee. An oral or written statement shall not be a prerequisite to offer testimony before a committee.

12) (House Rule 63) No committee shall sit while the House is in session except the Committee on Rules or a Conference Committee, which shall notify the House.

13) (House Rule 66(a)) A bill, resolution or amendment in a House committee, having been rejected twice, shall not be placed on the committee calendar again or considered again during the same legislative session unless the vote is expunged (two-thirds of the membership of
the committee). The motion to expunge shall be placed on the committee agenda, by a committee member, and placed at the bottom of the active list. A bill or resolution may be amended before a second consideration; but, unless expunged, even an amended bill having failed twice shall not be placed on the calendar or considered. Notice of reconsideration not permitted in committee.

14) (House Rule 47(a)) When a bill or resolution is under consideration, amendments shall be in order. Upon adoption, amendments shall become a part of the bill or resolution. Amendments to amendments may not be offered. All amendments offered before the House or one of its committees must be typewritten on an approved amendment form and signed by the sponsor. All amendments shall be attached to the original bill or resolution, numbered by the Bill Clerk, and shall be placed upon the members’ desks before being acted upon by the House.

(House Rule 38(e)) All amendments shall be entered on a separate sheet of paper noting the line or lines to be changed and the words to be deleted or inserted.

15) (House Rule 68) No bill or resolution shall be introduced with a committee as the author of
House Committee Rules

said bill or resolution unless that committee has
voted unanimously to sponsor the bill or reso-

16) (House Rule 69) Committee Records and
Reports
69(a) The chairperson of each committee of
the House shall keep or cause to be kept a sep-

arate record for each committee meeting in
which there shall be entered:
69(a) 1. The time and place of each hearing
and each meeting of the committee.
69(a) 2. The number and title of the bill or res-
olution with one of the following three recom-
mendations: “do pass”, “do pass as amended”,
or “do not pass”. If a committee recommends
a bill or resolution “do pass as amended” and
any of the amendments recommended by the
committee are not adopted on the floor, the bill
or resolution shall be re-referred to the same
committee for further consideration and recom-
mendation.
69(a) 3. A summary of each bill or resolution’s
major provisions which may be several para-
graphs in length in case of major bills or reso-
lutions or simply the title of the bill or resolu-
tion in the case of minor bills or resolutions.
69(a) 4. The reason for the committee’s action
on the bill or resolution, including a brief mi-
nority report, if requested by any two (2) com-
mittee members.
69(a) 5. A record of how every member voted on each bill or resolution when action is taken by the committee, including votes on a motion to postpone consideration on the bill or resolution and a recorded vote on any other motion, if requested by any two (2) committee members.

69(a) 6. A list of all people testifying before a committee on each bill or resolution, the interest that they represent, and an indication of their position on the bill or resolution.

17) (House Rule 69(b)) Such records for each separate committee meeting shall be approved by the chairperson before the expiration of a seven (7) day period, with the exception of those records referred to in (a) 1. and 2., hereinafter which shall be filed immediately with the Clerk of the House.

18) (House Rule 24 part) When a question is raised about the proper referral of a bill or resolution to committee, if the Speaker admits error in the referral of the bill or resolution to a committee, the bill or resolution may be re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill or resolution to committee, the bill or resolution may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill or resolution is re-referred to a committee,
any previous committee recommendation is automatically stripped from the bill or resolution.

When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

19) (House Rule 55 (a)) House Committee Staff will automatically and without delay place all bills or resolutions referred to the committees on the committee agendas. Staff will notify the sponsor of bills or resolutions assigned to committee. Referred bills shall be placed on the committee’s active agenda in the order they are read across the desk on the House Floor. When an active agenda is established in a committee and bills from that agenda are not placed on the deferred list and if they are passed over, they are placed at the bottom of the list of the day’s active agenda. Bills read across the desk on the House Floor later that same day or on a later day are placed on the active agenda in the order they are read below bills already on the active agenda.
20) After a bill or resolution has appeared on the Committee agenda and has been called up for consideration by the Committee and the sponsor of the bill or resolution or a representative is not present to present the bill or resolution, the bill or resolution will be placed on the active agenda two (2) additional times, but will be placed at the bottom of the active agenda.

21) If the sponsor or a representative is not present to present the bill or resolution when called up after the bill or resolution has appeared on the active agenda when called up during the third meeting, the bill or resolution will be automatically dropped from the active agenda and placed on the deferred list unless the sponsor notifies staff to put the bill or resolution back on the active agenda before the agenda is prepared, for the next called meeting. Requests to move bills or resolutions from the deferred list to the active agenda must be made by 2:30 p.m. two (2) days prior to the scheduled committee meeting. Bills moved from the deferred list to the active agenda shall be listed at the bottom of the active agenda. Bills on the deferred list may be moved to the active calendar as provided by rule for a total of three (3) times only. A suspension of this rule by the Committee (two-thirds of a quorum) will be required for each transfer of any bill having been moved three (3) times previously.
22) Bills or resolutions suggested as non-controversial will be considered before consideration of controversial bills or resolutions on the agenda. The objection of one (1) committee member to the consideration of a bill or resolution as non-controversial will automatically keep the bill or resolution from being considered as being non-controversial. Even though a bill or resolution has been considered as non-controversial, it will be necessary after a “do pass” or “do pass as amended” recommendation that a motion be made and there be unanimous consent of no less than a quorum of the Committee for a bill or resolution to be eligible to be placed on the House Non-controversial Calendar.

23) If a bill or resolution is discussed by a committee at a meeting, but is not voted on because of time limitations or because the vote is deferred to the next meeting, the bill or resolution will not lose its order on the agenda and will not be counted as having been considered.

24) The author/sponsor of a bill or resolution may make a presentation for his/her bill or resolution and may elect at that time to respond to questions from the committee members. Following the initial presentation, non-legislative--non-committee members will be allowed to
alternately speak against and for the bill or resolution. A procedural motion made by a member of the committee and adopted by the committee to limit or end debate will be allowed to govern non-legislative--non-committee members’ discussions. At the conclusion of the non-legislative--non-committee member proponent and opponent presentations, the sponsor may return to the podium and may elect to field questions from the committee members. Those questions should be limited to requests for clarification or the securing of information. Questions that are rhetorically offered and are dilatory for the effect of debate are discouraged. At this point, the chair will entertain motions from committee members only. For disposition of a proposition in a House Committee, procedural motions (limit debate, immediate consideration, etc.) are allowed only following a main motion (do pass, do not pass, do pass as amended, etc.). Discussion from that point forward is limited to committee members for and against the motion, if debatable, in alternating fashion. If immediate consideration is not adopted and if debate has not been limited and time has not expired, the sponsor of the motion will be allowed to close for his/her motion. During the closing, the sponsor of the motion may elect to field questions from committee members. At the conclusion of these presentations, a vote will be taken on the motion.
properly before the committee.

25) As determined by the presider courtesy may be extended to General Assembly members who are non-committee members who need to return to their own committee meetings.

26) (House Rule 66) Eleven (11) members of a standing committee constitute a committee quorum with the Speaker present if he/she is a member of the committee and ten (10) members when the Speaker is not present. A committee recommendation of a bill or resolution will require these same numbers.

27) Smoking is prohibited in the committee rooms and all adjoining rooms.

28) (House Rule 69(a)5) A roll call vote will be required if requested by any two (2) committee members, except for a quorum call which may be requested by one (1) member. The request for a quorum call is always in order.

29) When a roll call is required, the roll will be called by seniority with the vice chairperson being called next to last and the chairperson last. For a member’s vote to be counted and
House Committee Rules

30) During a roll call vote, when a member’s name has been called twice and he/she does not respond, or when a member passes, they will not be allowed to vote at a later time on the current issue before the committee.

31) No seconds are required during the legislative process except those that are explicit in the rules, (roll call, previous question, sound the ballot, etc.)

32) (House Rule 38(p)) “Fiscal impact statement” means a realistic statement of the estimated financial cost of implementing or complying with a proposed law regarding:

   (1) Municipalities;
   (2) Counties;
   (3) Education, as related to the State of Arkansas and local school districts grades kindergarten through twelve (K-12);
   (4) Corrections, if imposing new or additional costs and restrictions on inmate population patterns or affecting programs or services of the Department of Correction; or
   (5) Lottery, if amending Chapter 115 of Title 23 of the Arkansas Code or imposing a new or increased cost to the Arkansas Lottery Commission or a lottery.
